No doubt travel is a great pleasure and a passion with many. But if you are caught in a problem, that is enough to bring down all your spirits. And the problems could be anything – ranging from flight delays to baggage loss to trip cancellation to medical challenges. It could be anything that could spoil the entire trip.

In conditions like these and many others, a simple action of taking in a [travel plus trip cancellation insurance](#) policy will save you from a lot of discomfort and usually many people do not give it much attention at all. For many of the people, insurance is just for any accidents or for health. They do not realize that they can also insure various things like trip delays, trip cancellations or trip interruptions with the help of travel insurance.

The Travel Plus Insurance policy covers medical evacuation or repatriation, damage of your rental vehicle too! It also covers delay or cancellation of the flights, baggage loss, concierge services and travel assistance too. This is one comprehensive insurance policy which covers both medical as well as travel insurance making things very easy for visitors.

If they want to avail the medical coverage fully, this includes pre-existing conditions too; they will have to purchase the [travel plus insurance](#) policy before 21 days of paying in the trip deposit.

Especially if you are on a long tour, there can be any number of things that can go wrong, and it makes perfect logical sense to take care of them before leaving your home. Thousands of holidays have been ruined just because people have not spent a few minutes and a few dollars on getting properly insured.

The next time you are planning for a trip somewhere, make sure that you go properly prepared; so you can focus your energies on having fun rather than worrying about what might go wrong!

This is a combination of both medical and travel insurance where your illnesses and injuries are taken care of along with your traveling mishaps.

To have a happy tour abroad get yourself covered under the Travelex Travel Plus insurance where the coverage goes up to 180 days.
